Motorola StarTAC and V Series Cellular Phone Clip

Operating Instructions

Connect the phone clip to the phone by engaging the 2 small hooks at the top of the phone clip in the notch in the top of the phone. Grasp the button of the phone clip and pull backwards until the lugs in the bottom of the phone clip engage in the recesses in the phone.

Use the belt clip with the phone clip for safety and comfort in transportation. To attach the phone and phone clip to the belt clip, slide the phone clip's button into the groove in the belt clip. Slide it down until you hear it click into place. To remove the phone and phone clip from the belt clip, press the button on the bottom of the belt clip. The patented mechanism gently releases the phone.
